INTERNSHIP EXPERIENCE

FSO Technology Risk Intern June 2025-August 2025
Ernst & Young, LLP – McLean, VA

- Assisted with internal audits by testing IT General Controls (ITGC) and IT Application Controls (ITAC) to evaluate control design and effectiveness.
- Supported SOX compliance efforts by participating in walkthroughs and testing IT and financial reporting controls.
- Helped identify control gaps in areas such as logical access and user provisioning, contributing recommendations for remediation.
- Collected, organized, and documented audit evidence to ensure accuracy and compliance with audit standards.

Contract Administration Intern May 2024-August 2024
West Virginia Department of Transportation – Charleston, WV

- Utilized Oracle SQL to create, manage, and manipulate data sets, generating accurate and insightful reports on contract performance and project metrics.
- Applied Advanced Work Packaging (AWP) methodologies to optimize project execution, enhance productivity, and ensure timely completion.
- Developed detailed and interactive reports using Active Reports, improving operational efficiency, and providing actionable insights for various stakeholders.
- Collaborated with project managers and cross-functional teams to implement data-driven strategies, reducing risk and aligning project schedules with contractual obligations.

WORK EXPERIENCE

Database Specialist August 2024-May 2025
West Virginia University – Morgantown, WV

- Oversee the accurate review and entry of medical forms into the West Virginia e-Directive Registry, executing thorough quality assurance checks to ensure data integrity.
- Leverage advanced organizational skills, coupled with expertise in Microsoft Office and advance directive laws, to uphold HIPAA Privacy Rule compliance and optimize office efficiency.
- Streamline administrative processes by preparing and organizing mailing office tasks and providing strategic support for key administrative functions.

INVOLVEMENT & LEADERSHIP EXPERIENCE

Vice President of Finance, Management Information Systems Association August 2024-Present

- Spearheaded the development and execution of partnerships and innovative initiatives, resulting in increased financial growth and expanded funding opportunities.
- Led finance board meetings to outline annual budgets, allocate resources, and coordinate revenue-generating events for the academic year.

TECHNICAL SKILLS

-
- Microsoft Certified Professional:** Earned certifications in Microsoft Excel, Word, and PowerPoint (February 2023), with strong expertise in Microsoft SQL Server and Tableau.
 - Programming Language:** HTML, C*, CSS, and SQL
